

## 2021 CIGRE US NGN PAPER COMPETITION

CIGRE US National Committee Next Generation Network (NGN) is holding a paper competition to encourage students and early professionals to share their experience and knowledge with others in the industry.

### PRIZES

The winning participant will have an option to choose between a **registration to the 2022 Paris Session** or 2022 CIGRE Grid of the Future Symposium. In either case the winner will receive up to the **\$1000 travel stipend** as well as the opportunity to submit for a presentation slot.

The top 5 participants will receive complimentary **2021 Grid of the Future Symposium** registration.

### RULES

- ① During the synopsis step, if the participants synopsis is not selected to prepare a paper, participants are encouraged to prepare a paper based on the synopsis and submit it for the Grid of the Future Symposium.
- ② If a participants paper is selected as one of the top 5 to present at the 2021 Grid of the Future Symposium, they may submit to the NGN competition ONLY. Do not submit for the Grid of the Future Symposium also.
- ③ If the participants paper is not selected to be in the top 5 papers, the participant is encouraged to submit the paper to the 2021 Grid of the Future Symposium. The deadline for submission is July 2, but will be extended to accommodate NGN paper competition participants.

### CONTACT
